

VACI2016-Thank You For Being Part of Our Best VACI To Date!

The 5th Int. Symposium and Exhibition of Vietnam Water Cooperation Initiative (VACI 2016), held on 3th-5th October 2016, saw US\$ 500 million in total value for the announcements on planned water projects, tenders, investment and MOUs. VACI2016 featured “Managing trans-boundary waters: From policy to practice”. The event attracted some 1,500 participants from 25 countries spanning the governmental, international organizations, universities, research institutes and companies for discussion, exchange and networking.

Here's a glimpse into the happenings over the span of VACI2016:
